

BEGINNING DAY 2021

2. “Has anyone ever promised us anything? Then why should we expect anything?”

(C. Pavese, *This Business of Living*)

“Not only do we await: we *are* expectant awaiting!” (J. Carrón, *Is there Hope?*)

“The most precious things need not be sought; we should just wait for them expectantly. In fact, people cannot find them with their own strength alone, and if they set out to seek them, they will find in their place false goods whose falseness they will not even be able to recognize.” (S. Weil, *Waiting for God*)

What is the expectation that fills up your life?

Within daily life, where do you find yourself placing your hope?
